

OPEN ARMS ADVENTURES A SUMMER OF STEM CHALLENGES

Our adventures will include an entire summer of STEM (Science, Technology, Engineering, Math, and Art) projects. Each week students will participate in a wide variety of activities that will enable them to develop a basic understanding of each of the STEM content areas, as well as, experience the exciting world of hands-on learning. We will also investigate and discover how God plays the most important part in every aspect of our world and lives.

- Daily Morning Devotions
- Weekly Chapel and Bible Lessons
- VBS Week
- Weekly Themed Activities
- STEM Projects
- Academic Enrichment
- Fields Trips
- Karate
- Swimming
- Dance
- Zumba
- Yoga
- Arts and Crafts
- And so much more!
